All,

Please take a look at the concerns in this congressional request. Maya has created a sharepoint document and she will give you access. I will look through things first thing tomorrow and we will need to draft responses over the next couple days. I may try to create a meeting tomorrow if need be.

Thanks.

Hi Eric,

How are you doing? I hope your surgery went well and you're on the road to recovery.

We've received a CMS letter from Rep. Debbie Mucarsel-Powell of Florida's 26<sup>th</sup> District. She is expressing scientific concerns that constituents in her community share regarding the Oxitec application for an experimental use permit.

She has quite a few questions. I've created a SharePoint document—do you think you could loop in the appropriate people who could help us answer these? This letter needs to be signed by Alex on 10/21. Please work with your team to answer these by EOD 10/15.

Thank you,

Maya Piper (*she/her/hers*)
